How About Proper Food For Baby?

How You Can Prepare a Perfect Substitute for Mother's Milk.

For mothers who cannot furnish enough mother's milk, we have a special circular which tells how you can prepare a perfect substitute with cow's milk and cream, water and milk sugar.

When a food is substituted for mother's milk it should contain only what nature designed and in the same proportions. Nature does not supply bread or crackers or meat or granulated sugar, and these should not be given to an infant. Cow's milk, when properly prepared, furnishes a whole and sufficient diet for an infant and supplies all its needs for robust health.

Send for this circular, telling just how to do it and all about Petty's Milk Sugar.

POPE RECEIVES AMERICANS.

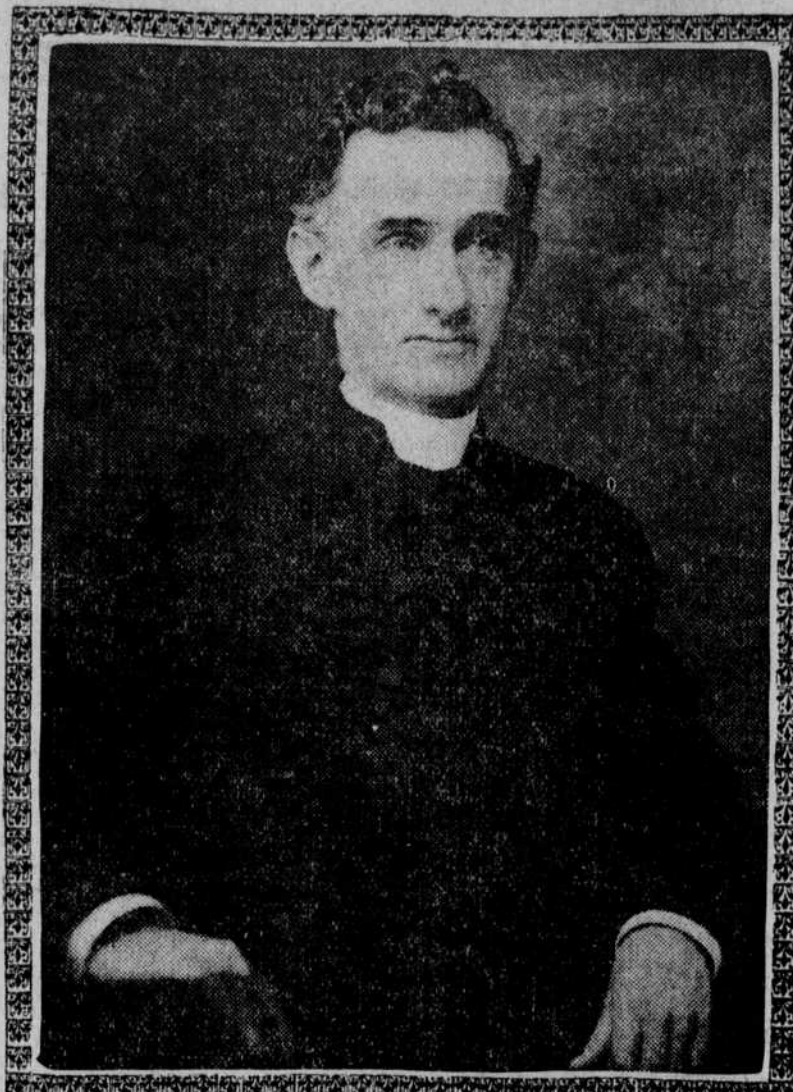

ROME, May 27.—Mgr. Kennedy, the rector of the American College, presented to the Pope yesterday a group of Americans who are at present on a visit to Rome. The Pope made a short speech in which he expressed his pleasure and gratitude for the visit. He gave his blessing to the pilgrims and their families and friends.

POLICE TO PARADE.

JERSEY CITY, May 27.—The annual parade of the local police department will take place tomorrow afternoon. Chief Monahan will be in command. Mayor Wiltz, the Board of Police Commissioners and other city officials will review the parade as it passes the City Hall.

FATHER BOGAN WILL OBSERVE SILVER JUBILEE

Plainfield Pastor, Born in Newark, Next Monday Celebrates Completion of Twenty-five Years in the Priesthood. Many Clerical Friends to Attend.

The Rev. Bernard M. Bogan, rector of St. Mary's Church in Plainfield, will celebrate on Monday next his silver jubilee as a priest, the twenty-fifth anniversary of his ordination. He will celebrate a solemn high mass in his church in the morning, assisted by the Rev. John E. Burke, of New York, as deacon; the Rev. M. J. White, of Newark, as sub-deacon, and the Rev. James T. Delehanty, of Westwood, as master of ceremonies. Upward of fifty clerical friends of the jubilarian are expected in the sanctuary. The sermon will be preached by a former college mate, the Rt. Rev. Monsignor Charles J. Kelly, rector of St. Mary's Church, Hoboken.

On Tuesday evening an entertainment will be given at the Plainfield Theatre by the recent graduates and the pupils of St. Mary's School. The feature of the entertainment will be a drama entitled "Rowena's Triumph," with dramatic pictures of the days of the early Roman empire. Drills, tableaux and choruses have been rehearsed with great care by the children, who are delighted to take part in the tribute to Father Bogan, and are jealously guarding some secrets of the entertainment, to be divulged only on that occasion. The young players in the drama have lately had the valued direction of Walter Sherwin, who has just returned from a transatlantic trip with the "Ben Hur" theatrical company.

Father Bogan was born in Market street, Newark, over fifty years ago. He attended the Cathedral School and St. Benedict's College before entering St. Charles's College, Maryland, for his course in the classics. In 1879 he entered the junior class of Seton Hall College, taking the degree of bachelor of arts at the end of that year. In the following year he was graduated with the senior class, taking the master's degree, and the following September he returned to Seton Hall and entered the seminary to study for the priesthood.

He finished his theological course in 1885 and was ordained priest May 30 of that year by the Rt. Rev. Winand M. Wigger, then bishop of the diocese of Newark. His first year in the priesthood was spent as an assistant at the Church of St. Paul of the Cross and the Church of St. Bridget, Jersey City. From 1886 to 1895 he was assistant at the Church of the Holy Cross, Harrison, whence he received his appointment as rector of St. Mary's Church, Rahway, where he remained until appointed by the Rt. Rev. John J. O'Connor, present bishop of Newark, to the pastorate he now occupies at St. Mary's in Plainfield. To his people he gives the credit, under God, of all that has marked with such evident success his endeavors in their behalf. He enters upon the jubilee with the good-will and cordial affection of a loyal congregation.

SCHOOL BUDGET AGAIN INDORSED BY BOARD.

Contract Awarded for Madison Avenue Addition.

The Board of Education last night indorsed the budget recommended by the Board of School Estimate calling for \$919,956. This is the budget that was approved earlier in the week at a conference held in the Mayor's office and which was adopted without the elimination of a single item, a fact that called forth favorable comment from the Mayor and the other city officials who were present at the hearing.

The board last night also awarded the contracts for the Madison Avenue School addition, amounting to \$119,102.35. No other bids for school alterations were awarded as the figures offered were considered excessive.

Superintendent McCall, of the bureau of compulsory education, reported that he had sent out 37 notices to dealers in tobacco, warning them not to sell to children under eighteen years of age and drawing their attention to the penalty attached to violations of the order.

The committee on instruction announced the following resignations: Estelle Gordon, from Burnett Street; Rosalind Wiener, from Chestnut Street; and Rose Lewis, from Morton Street. The following appointments were made: Mary B. McHenry to Hawthorne Avenue, Clotilda Thieleman to Monmouth Street, and Florence Brewer North Seventh Street as first assistant.

JERSEY SENIOR ELECTED HEAD OF U. P. CLASS.

PHILADELPHIA, May 27.—Ernest B. B. Cozens, 71 Wharton, of Haddonfield, has been elected president of the senior class of the University of Pennsylvania by a margin of one vote over Samuel Bennett, of Springfield, Mass., the captain of the crew. The senior presidency is by far the highest honor within the gift of each class.

Cozens entered the university in 1907 from Haverford School and has played center on the varsity football team two years. He also has caught on the varsity baseball nine for two years. He is a member of Phi Kappa Sigma.

MANY ENJOY EUCHRE AND DANCE.

More than 1,500 people were present at the euchre and ball given by the numerous organizations of St. Antoninus' Church at Krueger Auditorium last night. Both from a financial and social standpoint the affair was a huge success, and the auditorium seldom held a gathering that enjoyed themselves as did those present last night. Two hundred and seventy-five prizes were awarded the successful euchre and whist players, and forty-five of the non-players also drew gifts. It was nearly midnight when the dancing started, but the hour made no difference to the happy crowd.

LEVEEN DEMOCRATIC ASS'N DANCE TONIGHT.

Arion Hall to Be Scene of Festivities for Several Hundred Guests

The fourth annual May ball of the Leveen Democratic Association will take place in Arion Hall, Washington street, tonight. The upper and lower halls have been engaged and also singers from New York. One thousand five hundred people are expected to join in the merriment.

Two bands have been engaged for the occasion, one to furnish dance music and the other for the reception. The committee in charge of the affair have left no stone unturned to make the evening one of enjoyment. The committee of arrangements is composed of James R. Nugent, chairman; former Alderman Michael Leveen, treasurer; Isaac Charlek, Harry Marks, Elias Lustig, Isidore Rosenbloom, Thomas McCarthy, Max Hecht, Samuel Schoenberg, Hyman Sternberg, David Schrenzel, Albert Klein, Walter Beck, Isidore Pinchus, William Rosenbaum, Patrick Gunning, Adolph Buch, Max Susskind.

CONSTIPATION MUNYON'S PAW-PAW PILLS

Munyon's Paw-Paw Pills are unlike all other laxatives or cathartics. They coax the liver into activity by gentle methods. They do not scour; they do not grip; they do not weaken; but they do start all the secretions of the liver and stomach in a way that soon puts the organs in a healthy condition and corrects constipation. In my opinion constipation is responsible for most ailments. There are thirty-two feet of human bowels, which is really a sewer pipe. When this pipe becomes clogged, the whole system becomes poisoned, causing biliousness, indigestion and impure blood, which often produces rheumatism and kidney ailments. No woman who suffers with constipation or any liver complaint can expect to have a clear complexion, or enjoy good health.

Munyon's Paw-Paw Pills are a tonic to the stomach, liver and nerves. They invigorate instead of weakening; they enrich the blood instead of impoverishing it; they enable the stomach to get all the nourishment from food that is put into it. These pills contain no calomel, no dope, they are soothing, healing and stimulating. They school the bowels to act without physics. Price 25 cents.

Non-Fiction—"Self-control and How to Secure It," by Paul Dubois; "Standard Opera Glass," by Charles Annesley; "Life and Art of Richard Mansfield," by William Winter; "Personal Power," by William Jewett Tucker; "Fishing Kits and Equipments," by Samuel G. Camp; "England and the English," by Price Collier.

"China and the Far East," by George H. Blasdel. A collection of lectures intended to furnish a more general and accurate knowledge of Far Eastern conditions and of the characteristics of the people.

"Hints on House Furnishing," by W. Shaw Sparrow. This book aims to put simple matters in a plain way, and to give advice for obtaining the maximum of attractive comfort at a given price. "Wedgwood and His Imitators," by N. Hudson Moore. A description of the works of Wedgwood, particularly his specimens of basalt and Jasper and of the works of the most successful of the people.

"Industrial Problems," by N. A. Richardson. A discussion of nine great evils which threaten the people of the United States: 1. Concentration of the ownership of wealth. 2. Corruption in all walks of life. 3. The unemployed masses of labor. 4. Panics. 5. Enslavement of women and children in our industries. 6. Degeneracy. 7. Strikes, lockouts, boycotts. 8. International war. 9. Liquor traffic.

"Manual of Gardening," by L. H. Bailey. A practical guide to the making of home grounds and the growing of flowers, fruits and vegetables for home use.

"The Cradle of New France," by A. G. Doughty. A description of Quebec, the rich city in memorials of the past and richer in promise of the future.

AUTO AND MOTOR CLUB WILL NOT RAISE RATES.

There will be no increase in the dues of members of the New Jersey Automobile and Motor Club. This was decided at a special meeting of the members of the club last night, when the suggestion of an increase made by the board of trustees was considered. The raise was intended to meet increased expenses of the club and the maintenance of a club-house at Butler.

The meeting indorsed the action of the board of trustees in securing an option on a country club-house and renting it for a period of years. A nominating committee for the election of 1911 was named as follows: J. H. Wood, Dr. H. C. Harris, W. H. Ellis, C. W. Baker and Eugene Turton.

CHINAMAN MISSING SINCE FIRE.

Wah Sing, a Chinese laundryman who dashed out of his burning laundry at 544 Orange street yesterday afternoon, has not been seen since he left a bundle which he saved from the flames with a friend at Sixth avenue and Thirteenth street. The man is severely burned and is supposed to be wandering about the city, crazed by the fire. The fire did damage to the extent of about \$500.

The Great Remedy for RHEUMATISM

RHEUMATISM—the same as lumbago, sciatica, gout, etc., is a disease of the blood, and must be treated by a medicine which gets into the blood and drives out all the impure substances, leaving it in a rich and healthy condition. The

MARVEL RHEUMATIC COMPOUND

is a preparation made especially for this treatment. It goes into the blood, drives out the uric acid, eradicates disease, and builds up the entire system. We guarantee that it contains no opium, morphine or drugs injurious to the system.

CAFE PATRONS SOAKED WITH WATER.

When a workman poked a crowbar through a water main in front of John Meyer's cafe at 214 Market street there was a stream of water projected from the pipe into the saloon, where a number of men at the bar were unexpectedly soaked. The excitement took place last night when men were at work locating the main for the purpose of replacing it with new pipe.
